REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

This cause comes on due to Appellant's filing of an appeal following the receipt of a letter from Appellee's Deputy Director notifying Appellant that his position could be subject to layoff or displacement in the near future. It appears that Appellee's letter was issued as a preliminary process that Appellee utilized to determine what layoffs might be necessary. Therefore, I find that Appellant has not received notice of an actual layoff, abolishment, or displacement.

Pursuant to O.A.C. 124-1-03(B), appeals from layoffs, abolishments, and displacements shall be filed with the State Personnel Board of Review within ten calendar days after receipt of notice of the action.

In the event that Appellant receives a subsequent letter from Appellee notifying Appellant that he will be laid off or displaced, or that Appellant's position has been abolished, Appellant must file a new appeal with this Board to preserve his rights. Such an appeal must be filed with this Board in a timely manner pursuant to O.A.C. 124-1-03(B). A copy of the notice shall be attached to the Appellant's appeal.

Based on the foregoing, I respectfully **RECOMMEND** that the instant appeal be **DISMISSED** as premature, pursuant to O.A.C. 124-1-03(B).
