UNASSIGNED

**REPORT AND RECOMMENDATION**

To the Honorable State Personnel Board of Review:

This cause comes on due to Appellant's June 24, 2008 filing, among other things, of a reclassification appeal. There is no evidence in the record to suggest that a job audit was requested or otherwise performed on Appellant's position. Further, there is no suggestion in the record that a new or amended classification was assigned to Appellant's position. Accordingly, it does not appear that an event occurred that would impact on this Board's reclassification jurisdiction.

Additionally, the parties should note that Appellant has other cases filed with this Board (*i.e.* an abolishment, a layoff, and a reduction case) and these cases are not impacted by the instant recommendation which affects only the instant case (*i.e.* 08-REC-06-0410).

Therefore, I respectfully **RECOMMEND** that the State Personnel Board of Review **DISMISS** instant appeal for lack of jurisdiction over its subject matter, pursuant to R.C. 124.03.

  
James R. Sprague  
*Administrative Law Judge*
