Attention: Nicole S. Moss  
Case No. 10-ABL-05-0128

This letter is notification of my decision to withdraw the appeal filed with the Ohio State Board regarding the abolishment of my position with the Northeastern Ohio Universities College of Medicine and Pharmacy (NEOUCOM) as of May 15, 2010.

As a state/public employee for thirty-one years, I was quite disappointed upon receiving the letter of abolishment. It was my desire to work another four years in order to retire with thirty-five years in the retirement system. However, at this time, I have exhausted my own discovery of the action. I believe the layoff was conducted within the guidelines and regulations of the State of Ohio on behalf of Ohio public employees, as well as the protocol of NEOUCOM.

Even though I had little recourse other than to retire, I am proud to be a retiree of NEOUCOM. My loyalties to and respect for the institution and its mission remain.

Sincerely,

Barbara J. Salak
